

2021 PREVENTION SUMMER PROGRAM

Helping Students Develop Their Potentials through Prevention.

2021 Theme:

BUILDING RESILIENCE

2021 OUTDOOR STEAM PROGRAM

*Using STEAM/ STEM to Empower
Students and Develop Coping Strategies.*

1. The pandemic has increased loneliness, sadness, anxiety and many more stressors.
2. The summer program provides daily onsite professional counseling to ALL students.
3. Our summer program will help students learn about prevention topics such as
 1. *Self-Love/Self-Confidence*
 2. *Coping with Emotions* (Internalizing & Externalizing Emotions)
 3. *Self-Care for Traumatic Events*
 4. *Learning how to set Healthy Boundaries*
 5. *Adaptation and Adjustment to Stressful Events*
