MEET OUR FOUNDER, Mrs. Alice, MS, ICPS, CPS

As a high school dropout due to family financial struggles, Alice is dedicated in ensuring every at-risk student is given the opportunity to achieve their full potential. With over eighteen years of experience, Alice has developed holistic programs that embrace at-risk students and helps develop their academic, mental, social and behavioral growth.

Join us! Preventing cycles of trauma. It takes a village to raise a child, but a state to raise a community. ARE YOU IN?
